

BIOPHILIC DESIGN: THE KEY TO A HEALTHY WORKSPACE

Wednesday, October 26, 2016
5:30 PM – 7:30 PM

APP / Tandus
71 5th Avenue - 2nd Floor,
New York, NY 10003
(between 14th street and 15th street)

Join the Sustainability Committee and learn how Facilities and Real Estate can drive positive change and economic performance. Biophilic Design is a science based approach to addressing well-being, creativity, productivity, attraction & retention and the “bottom line.”
